MATT

S E R I E S

Inspired by nature's calm and colors, the Matt Series is an approach to redefining modern spaces with refined simplicity and a subtle finish. Available in rich, earthy shades of sophistication, the series offers a contemporary edge in residential as well as commercial settings. Built for urban living, this series embodies everyday practicality by complementing any décor.

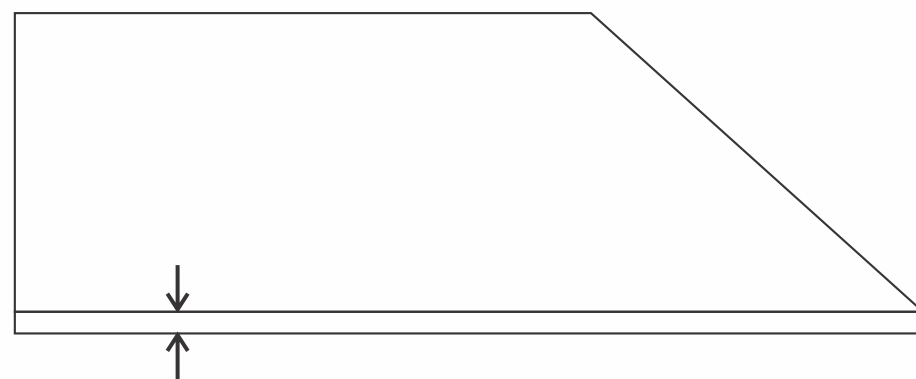

The Quiet Modernity

Collection '25

600X 1200mm

Matt Surface

The dynamic 600*1200mm size of this series adds versatility and elegance to any space. The matt surface adds a soothing appeal, making it ideal for serene living spaces. The 8mm thickness completes the design with practical finesse.

8mm Thickness

Wrap your space in the nuanced luxury of our tiles and craft settings that whisper surreal artistry in every element, elevating aesthetics in both style and function.

Wood Matt

The Wood Matt Series blends natural textures and the warmth of wood, creating a perfect, cozy environment. Bring the timeless charm of wood to every corner of your space.

A rectangular sample of Miller Nature Wood laminate flooring, featuring a dark brown wood grain. Two dried, curled leaves are placed on the surface, casting soft shadows. A small, dark wooden geometric object, resembling a stylized 'X' or a small structure, is also placed on the surface.

2. Miller
Nature Wood

A rectangular sample of Miller Light Wood laminate flooring, featuring a light beige wood grain. A small, square wooden frame containing geometric shapes (a triangle and a circle) is placed on the surface, casting a shadow.

1. Miller
Light Wood

A rectangular sample of Miller Beige Wood laminate flooring, featuring a medium brown wood grain. The sample is positioned diagonally in the bottom right corner of the image.
